TOPICAL SKIN NUTRITION by XANGO

Glimpse Mineral Treatment provides flawless topical skin nutrition through a triple-milled blend of pure minerals. BioActive X³ Complex™ works in harmony with Zinc Oxide, Oat Protein Powder, Silk Powder and Bio-Chelated minerals to enhance your skin while providing pure and effective protection against environmental stressors. Protect your skin, guard your health, and benefit our planet with Glimpse Mineral Treatment.

Available in four shades: sheer, light, medium and deep.

GLIMPSE MINERAL TREATMENT

- Purely and effectively protects from environmental stressors.
- Combats the signs of aging revealing brighter, more radiant, healthier-looking skin.
- Contains no harmful chemicals commonly found such as Titanium Dioxide, Talc, Oxychloride Bismuth, Parabens, Phthalates and Silicones.
- Blends beautifully with Glimpse Moisturizers or Pericarp Oil for a flawless wet foundation.
