

XANGO 3SIXTY5™

XanGo **3SIXTY5**™ is a brilliant departure from the isolated nutrition strands of the past and a return to the natural, whole-food approach to health.

Harnessing the power of the antioxidant-packed mangosteen and a whole-food blend from 12 fruit and 12 vegetable juices, **3SIXTY5** welcomes you to the great future of whole food nutrition.

Overview:

XanGo 3SIXTY5 purposely gathers and matches essential vitamins & minerals with specialized nutrients to create a balanced whole-food blend your body can assimilate easily through intelligent nutrient interplay. The following key groups play valuable and unique roles in the 3SIXTY5 blend.

3SIXTY5 Blend:

- > A full-spectrum blend of essential vitamins & minerals
- > Antioxidant-packed mangosteen rind concentrate
- > Botanical phytonutrients from 12 fruits and 12 vegetables
- > Essential fatty acids (EFAs) and Coenzyme Q10 (CoQ₁₀)
- > Bioavailable nutrients
- > Chelated technology coats ingredients in amino acids for superior absorption

3SIXTY5 Benefits:

Supports:

- > cardiovascular health*
 - > immune health*
 - > cognitive health*
 - > skin health*
 - > prostate health (men)*
 - > bone & joint health (women)*
 - > overall health*
-
- > Provides powerful antioxidant support*
 - > Provides cellular protection*
 - > Supports healthy energy levels*
 - > Supports healthy stress management*

*These statements have not been evaluated by the Food & Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

The Whole Absorption:

With whole-food nutrition, the focus is not so much on the parts, but how they're put together. XanGo 3SIXTY5™ purposely gathers and matches essential vitamins & minerals with specialized nutrients to create a balanced whole-food blend your body can assimilate easily through intelligent nutrient interplay.

To maximize the efficacy of phytonutrients, 3SIXTY5 promotes absorption and utilization of nutrients in two ways:

1. Whole foods from natural concentrates contain an array of compounds that are superior to a single compound, as each has a synergistic effect on the other in the body.
2. Chelated minerals found in 3SIXTY5 have been shown to have better absorption properties than non-chelated minerals.

Experts agree that consumption of multi-vitamin/mineral supplements, taken together with whole food is shown to be more effective than when taken alone. XanGo® Juice is a great whole fruit vehicle to consume 3SIXTY5 because of its absorption-driven formulation. Take your daily AM and PM servings of XanGo 3SIXTY5 with 8 oz of water and 1-3 oz of XanGo Juice.

XANGO 3SIXTY5™ Intelligent Ingredients

3SIXTY5 Daily Essentials:

- > Supplied with the essential vitamins & minerals your body needs, 3SIXTY5 Daily Essentials features a full spectrum of vitamins & minerals to support energy, immune function and overall health, while advanced bioavailable nutrients maximize their absorption and use in the human body.*

3SIXTY5 Whole Food Blend:

- > A cooperative blend of 12 fruits, 12 vegetables and the antioxidant-dense mangosteen peel concentrate enables each phytonutrient to build off the good of the others.

12 fruits:

Plum
Cranberry
Blueberry
Strawberry
Blackberry
Bilberry
Cherry
Apricot
Papaya
Orange
Grape
Pineapple

12 vegetables:

Parsley
Kale
Spinach
Wheat Grass
Brussels Sprouts
Asparagus
Broccoli
Cauliflower
Beet
Carrot
Cabbage
Garlic

3SIXTY5 Heart Nutrition*:

A special blend of CoQ₁₀, marine omega concentrate, organic flaxseed oil, borage oil and Vitamin E.

Reports on the omega-3 fatty acids contained in marine oil (EPA and DHA) indicate notable support for cardiovascular, cognitive, immune and structural health.*

CoQ₁₀, a specialized fatty acid, has powerful antioxidant properties and produces cellular energy in all body tissues.*

Naturally occurring, fat-soluble and highly absorbable Vitamin E (d-alpha-tocopherol) boasts antioxidant properties that work hand-in-hand with CoQ₁₀ to support cellular health.*

Olive oil was chosen for its potent antioxidant properties; organic flaxseed oil was selected for its natural supply of alpha-linolenic acid—a precursor to omega-3 fatty acids associated with cardiovascular health—and borage oil was picked out for its abundant stores of gamma-linoleic acid (GLA), which has been used traditionally to maintain structural, respiratory and skin health.*

Exclusive to XanGo 3SIXTY5 for Men:

3SIXTY5 Men's Nutrition*:

A blend of natural ingredients containing African pygeum, saw palmetto berry extract and pumpkin seed oil, designed specially for men's health and energy.

Exclusive to XanGo 3SIXTY5 for Women:

3SIXTY5 Bone Nutrition*:

Complete support for healthy bones with highly absorbable chelated calcium & magnesium enhanced by flavonoids, Vitamin D, boron and other bioavailability-optimizing nutrients.*

In their highly absorbable, amino-acid chelated forms, calcium and magnesium help to build strong, healthy bones. Vitamin D and boron assist in the absorption process, improving bioavailability. And ipriflavin (a flavonoid) helps the body maintain healthy bone density in the absence of estrogenic activity.*
