## TURNING HEADS SINCE 2002

Six dedicated innovators with experience, guts and compassion made XANGO the enduring and exciting company that it is. This group of visionaries—our XANGO Founders—laid the groundwork for a growing opportunity that has all the right ingredients to make waves in the world of wellness. Their inspiration: mangosteen. Their product: XANGO Juice.

Launched in 2002, XANGO Juice created the first-of-its-kind mangosteen category; it's delicious; and it's the cornerstone of XANGO's constantly growing line of phenomenal wellness products like XANGO® Reserva. Its success propelled the company into record-setting growth.

Fueled by boldness and passion, XANGO's Founders have ignited magic all over the world. Currently operating in nearly 40 countries XANGO has not only brought mangosteen to the world, it's become one of the most recognized brands in network marketing.

At XANGO we've never lost sight of our core DNA. We've always made it a priority to "do good while doing well." Like everything XANGO does, XANGO Goodness makes a difference in the world using charitable contributions from both XANGO our and XANGO Demonstrators.

## XANGO® RESERVA: MORE MANGOSTEEN GOODNESS

XANGO Juice established a new standard for the wellness industry giving birth to a groundbreaking new category and a record-setting company. Eight years after the introduction of XANGO Juice, XANGO unveiled the elegant, definitive culmination of the mangosteen's complexities—a product handcrafted from years of experience, reinvented from our signature mangosteen formula. We call it XANGO Reserva.

In Asia, the mangosteen has been used for centuries as a traditional preparation, from topical applications to teas. So powerful that mangosteen was respectfully called the Queen of Fruits; today scientists refer to it as *Garcinia mangostana*. Whatever you call it, XANGO Reserva harnesses the power of the mangosteen fruit to deliver a unique payload of xanthones and phytonutrients in the most delicious, easily absorbed package possible. Today millions of people around the world have enjoyed the many benefits of mangosteen products from XANGO.
