

### WHAT IS GLIMPSE LUMINESCENCE REPAIR?

Glimpse Luminescence Repair (Mangosteen Pericarp Oil) is derived from the mangosteen fruit through an exclusive Japanese biofermentation process designed to deliver optimal skin health. Loaded with vibrant yellow xanthenes, Repair helps strengthen and stimulate your skin's natural collagen production, calming the signs of inflammation.

### WHAT IS GLIMPSE LUMINESCENCE BRIGHTEN?

Glimpse Luminescence Brighten (Mangosteen Polymeric Complex) is derived from the mangosteen fruit through an exclusive Japanese biofermentation process designed to deliver optimal skin health. The most concentrated essence of the mangosteen's rich ruby antioxidants helps to brighten and even the skin tone, dramatically reducing the look of age spots, pigmentation and discoloration.

### IS THERE MANGOSTEEN IN THE GLIMPSE LUMINESCENCE COLLECTION?

Yes. Mangosteen is the core ingredient. We use our exclusive Japanese biofermentation technology to harness the purest powers of the mangosteen for the Glimpse Luminescence Collection.

### ARE THERE ANY CHEMICALS IN THE GLIMPSE LUMINESCENCE COLLECTION?

No. We only use natural ingredients in the Glimpse Luminescence Collection, so our products remain as pure as possible.

### ARE THERE PARABENS IN THE GLIMPSE LUMINESCENCE COLLECTION?

No. Glimpse Luminescence Collection is paraben- and preservative-free.
