

WHAT IS XANGO 3SIXTY5[™]?

XANGO 3SIXTY5 is XANGO’s newly reformulated daily nutrition supplement featuring Active Defense Complex[™] with Primactive[™]. XANGO 3SIXTY5 helps your body actively shield itself from harmful microorganisms, environmental impurities and oxidative stresses.

WHY DID XANGO REFORMULATE XANGO 3SIXTY5?

Based on the latest science and recommendations from our consultants in the medical community, we reformulated XANGO 3SIXTY5 to meet the needs and nutritional requirements of all adults. Our new formulation is based on the latest science and research to help you meet your daily dietary needs, and also gives you added daily defense to keep you healthy.

WHAT IS ACTIVE DEFENSE COMPLEX[™]?

Active Defense Complex is a proprietary ingredient blend exclusive to XANGO 3SIXTY5. It’s a natural blend of bioflavonoids, resveratrol, tocotrienols and Primactive[™]. Active Defense Complex allows XANGO 3SIXTY5 to work with your body to actively shield itself from harmful microorganisms, environmental impurities and oxidative stresses.

WHAT IS PRIMACTIVE[™]?

Primactive is a trademark ingredient for XANGO, LLC. It is a proprietary patented polysaccharide with unique benefits for shielding the body from harmful microorganisms.

ARE THERE PLANS FOR A SEPARATE FORMULA FOR MEN AND WOMEN?

No. XANGO 3SIXTY5 has been reformulated as a unisex formula. The basic daily nutrition requirements for men and women are very similar, and this allows XANGO to expand its product line with targeted nutritional supplements in the future.

XANGO 3SIXTY5 COMES IN TABLETS AND CAPSULES. IS ONE BETTER THAN THE OTHER?

Certain ingredients are better manufactured in tablets and others in capsules, but one is not necessarily better than the other.

HOW QUICKLY DO THE TABLETS DISSOLVE?

The tablets are formulated to dissolve in the most effective manner in the stomach. All the nutrients will be bioavailable and easily digested.

DOES XANGO 3SIXTY5 CONTAIN IRON?

No, there is no iron in the product.

DOES XANGO 3SIXTY5 CONTAIN ANY HEART-HEALTH INGREDIENTS?

XANGO 3SIXTY5 contains resveratrol, vitamins E and C, and calcium, which contribute proven heart-health benefits.

DOES THE FORMULA CONTAIN ANY WHOLE-FOOD BLENDS?

No, there is no whole-food blend in the formula. With the focus on extended wellness, the new XANGO 3SIXTY5 formula combines a full spectrum of vitamins/minerals with Active Defense Complex so you can be well and stay well.

DOES THE FORMULA CONTAIN ANY INGREDIENTS KNOWN TO HELP WITH JOINT FUNCTION?

XANGO 3SIXTY5 contains Vitamins A, C and E, which have shown some benefit to joint function.

IS XANGO 3SIXTY5 RECOMMENDED FOR CHILDREN?

No, XANGO 3SIXTY5 was formulated and developed for adults ages 18 and over.

WHY WAS THE FORMULA CREATED FOR ONLY ONE DOSAGE PER DAY? AREN'T A.M. AND P.M. DOSES OF VITAMINS BEST?

The best time of day to take a multivitamin is when it is convenient and easy for you. The active amounts of vitamins and minerals have not changed, so reducing the dosage helped simplify the usage, but did not reduce the quality of the product.

CAN I TAKE XANGO 3SIXTY5 ON AN EMPTY STOMACH, OR DO I NEED TO TAKE IT WITH FOOD?

XANGO 3SIXTY5 should be taken with food to ease any digestive discomfort and to assist with better nutrient assimilation.

CAN I TAKE ELEVIV™ AND XANGO® JUICE WITH XANGO 3SIXTY5?

Yes! All XANGO products are formulated to work synergistically together.

ARE ALL THE INGREDIENTS NATURAL?
